**Special map of your town.** Telephone lines above and below the streets of your community are charted on special maps. When delicate instruments detect trouble, these maps help locate buried cables, conduits, manholes and the like... and repair crews can get on the job fast. Large cities need thousands of these maps. And they're an important part of the planning that has helped us bring you good service, reliable service, at the lowest possible cost. Pacific Telephone works to make your telephone a bigger value every day.
